TUCK'S POST CARD

CARTE POSTALE

By Appointment

Perrins Court. The old way from the town, and from the vicarage (which was then in High Street) to the Parish Church. This view was taken from the spot on which was a gate and field path leading to Church Row. The building behind the trees, on the right of the picture, was the first meeting place of the Presbyterian congregation in Hampstead. This building has lately been demolished and the trees cut down to make room for a parish hall.
